

Goal #1

John Hancock Charter School will improve our students reading and writing skills as reflected on the SAGE ELA assessment.

Academic Area:

Reading

Writing

Technology

Measurements:

John Hancock Charter School will increase the number of students school wide scoring proficient on the SAGE ELA assessment according to the graph below:

School wide

2014 – 44% proficient

2015- 57% proficient

2016-17 – 57% proficient

Goal for 2017/18 – 60% proficient

Goal for 2018/19 – 62% proficient

Informational Data:

Grade 3

2014 – 60% proficient

2015 – 79% proficient

2016- 50% proficient

Grade 4

2014 – 56% proficient

2015- 60% proficient

2016 – 65% proficient

Grade 5

2014 – 40% proficient

2015 – 62% proficient

2016- 68% proficient

Grade 6

2014 – 37% proficient

2015 – 41% proficient

2016- 65% proficient

Grade 7

2014- 23% proficient

2015 – 53% proficient
2016 – 56% proficient

Grade 8

2014 – 36% proficient
2015 – 36% proficient
2016 – 18% proficient

Action Plan Steps:

1 – We will increase the number of students receiving early morning reading interventions by increasing the number of teachers and aids working with small groups and individual students. We will identify at risk readers and provide them a combination of online and in person reading interventions before school begins and after school.

2- We will purchase a ChromeBook lab for 5th grade students and 5 Chromebooks for our kingergarten class.. This helps us reach our goal of 1:1. We will have 1:1 devices in grades K,1,2,3,4,5,and 7.

3- We will purchase a program to help measure student progress towards mastery of ELA standards.

Goal #2

John Hancock Charter School will improve our students mathematics skills as reflected on the SAGE mathematics assessment.

Academic Areas

Math

Measurements:

John Hancock Charter School will increase the number of students school wide scoring proficient on the SAGE mathematics assessment from 66% in 2014 to 70% in 2019.

School wide

2014 – 66% proficient
2015 – 68% proficient
2016-17 – 66% proficient
Goal for 2017-18 is 70%
Goal for 2018-19 is 72%

Action Plan Steps:

- 1- We will increase the number of students receiving early morning and after school math interventions. We will identify at risk students and provide them a combination of online and in person math interventions before and after school.
- 2- We will purchase a ChromeBook lab for 5th grade students and 5 Chromebooks for our kindergarten class. This helps us reach our goal of 1:1. We will have 1:1 devices in grades K,1,2,3,4,5,and 7.
- 3- We will purchase online mathematics support programs
- 4- We will purchase a program to help track students' progress towards mastery of the mathematics standards.

Goal #3

John Hancock Charter School will improve our students science skills as reflected on the SAGE science assessment.

Academic Area:
Science

Measurement:

John Hancock Charter School will improve the number of students school wide scoring proficient on the SAGE science assessment from 42% in 2014 to 66% in 2019.

School wide

2014 – 42% proficient

2015 – 52% proficient

2016-17 – 63% proficient

Goal for 2017-18 – 65% proficient

Goal for 2018-19 – 66% proficient

Action Steps –

- 1- We will purchase a ChromeBook lab for 5th grade students and 5 Chromebooks for our kindergarten class.. This helps us reach our goal of 1:1. We will have 1:1 devices in grades K,1,2,3,4,5,and 7.
- 2- We will invest in science materials for hands on science experiments/projects/demonstrations

Expenditure:

Salaries - \$8000

General Supplies - \$8500

Text books and consumables - \$2500

Periodicals, AV Materials - \$500

Software - \$5500

Equipment - \$7429

Total: \$32,429
