### **FEE WAIVER APPLICATION (GRADES K-8)**

No elementary school child (K – 6) may be charged for anything that takes place or is used during the regular school day. That includes textbooks, classroom equipment and supplies, musical instruments, field trips, assemblies, and snacks. Fees can only be charged for programs, which take place before or after school or during school vacations (or for things used in those programs). But all of those fees must be waived for eligible children.

All information on this application will be kept confidential.

Student qualifies as economically disadvantaged according to the Income Eligibility Form.

If the above does not apply, or you believe your family assets exceed the amount given in the Declaration of Household Income table, but you wish to apply for fee waivers or other help with school fees because of serious financial problems, please contact Mrs. Adamic to state the reason (s) for your request.

Please check the school fee schedule and list all fees that you wish to have waived. If your student is eligible for fee waivers, all of those fees will be waived. Cost for lost or damaged school property or for school pictures, yearbooks, and similar things are not fees and will not be waived. If you wish to have all applicable fees waived, please sign this document.

All Fee Payments will be suspended until the school has decided if your student is eligible for Fee Waivers. You will then be given notice of that decision. The school may require you to prove eligibility. If your student is eligible for a waiver, the school cannot require you to agree to an installment payment or sign an IOU in place of a waiver.
